We are excited to be able to work with Tend for a second season in the LA market!

Tend is the first-ever digital marketplace for event staffing, connecting hosts with their elite network of bartenders and servers. Their Tenders pass a multi-stage interview process and average over 7 years of industry experience, so you can't go wrong! They are fully licensed and insured. Let them help you pour more, for less.

Having Bartenders and/or Servers is a great option for larger groups of corporate clients. It definitely elevates the overall tailgate experience for guest.

All bartenders and/or servers are \$40/hour and require a 4-hour minimum time commitment.

**Note:** For games at the Rose Bowl, we will add one extra hour to the serving time to account for traffic. For instance, a four hour reservation will include one hour travel time and three hours of serving.
